

ARIA RENTALS GEAR CATALOG-2021

WWW.ARIARENTAL.COM
ARIARENTAL@ME.COM

This is our updated catalog for 2021.

Most of our gear is for audio-we also have many video design/production items. In addition to the rental items listed-we have 6 Q-lab rigs that are pre-built with SSD drives and time machine back up drives in them. All the computer connections are on a front face plate-Just pull the audio snake out the back and it's ready to go.

We have a lot of audio snakes-1G and 2G block mults, Powercon, Siamese cables-etc. If you don't see something you need-contact us-we are ALWAYS investing in new items.

We ship gear across the country all the time.

PLEASE FEEL FREE TO CONTACT US FOR A QUOTE.
